NC Medicaid 20190531 v1.0

June 28, 2019

Dear Patricia A. Jones:

There will be a new way to get Medicaid health care

Starting **November 1, 2019**, most people will get the same Medicaid services in a new way –
through health insurance plans.

A **health plan** is a group of doctors, hospitals and other providers. They work together to give
you the health care you need. Everything will come from the same plan. This includes physical
health, mental health, and medicine. Some health plans provide added services like programs to
help you quit smoking.

Some things will stay the same

Medicaid eligibility rules are not changing.

**The people below should choose a primary care provider and health
plan by September 13, 2019**

There are 3 steps to enroll

① Choose a primary care provider (PCP) for these members

- Your **PCP** could be your family doctor, clinic or other health care provider. Your PCP will help you with your health care needs. You can choose a new PCP.
- You can choose a different PCP for each member
- Remember, health plans work with different PCPs. To keep your doctor, clinic or other provider as your PCP, find out which plans they work with. Then choose one of those plans.
- You can ask your provider which plans they work with. Or you can call us at **1-833-870-5500** (TTY: 1-833-870-5588).
- You can also find a list of doctors and other specialists for each plan at ncmedicaidplans.gov.

② Choose a health plan in NC Medicaid Managed Care

- If you want to keep your provider as your PCP, choose a health plan your primary care provider works with.
- Read the Health Plan Comparison Chart that came with this letter. It tells you about the plans and added services they offer.
- Compare the plans and choose the best one for you.

If you decide later that you want to change your health plan

You will be able to change your health plan until **January 31, 2020**.

After that, unless you have a special reason, you cannot change your health plan until your Medicaid recertification date.

If you think you should not be enrolled in a health plan because you need certain services to address needs related to developmental disability, mental illness, traumatic brain injury, or substance use disorder, you can request a reconsideration. This is a review of the decision. To ask for a reconsideration call us at 1-833-870-5500 (TTY: 1-833-870-5588).

What happens next

After you enroll, your health plan will send you information and a new ID card. You will use your ID card to get health care services. If you have questions, call your health plan's member services number on your ID card.

You can start using your new health plan on November 1, 2019. Until then, get care and services the way you do now.

The people below will stay in NC Medicaid Direct

Sally A. Jones

Medicaid ID: XXX-XX-XXXX

Beginning November 1, 2019, you will get your same Medicaid services through NC Medicaid Direct. It will provide the same services currently covered for developmental disability, mental illness, traumatic brain injury and substance use disorder.

You can choose a different health program

NC Medicaid Direct is not the only choice. Medicaid services will be provided from private health insurance plans. These private plans may not cover the same services for developmental disability, mental illness, traumatic brain injury or substance use disorder.
