**Re: Children and Families Specialty Plan (CFSP) Blueprint and Dear County Director
Roadshow Announcement - June 2025**

Dear County Directors of Social Services:

Blue Cross and Blue Shield of North Carolina's Healthy Blue Care Together (HBCT) is honored to have the opportunity to improve the health and well-being of children, youth and families served by the Children and Families Specialty Plan - a new NC Medicaid Managed Care health plan slated to launch on December 1, 2025. HBCT will be hosting roadshows throughout the state in June and July. These sessions are intended to inform and educate the coordination between HBCT and the local social service agencies.

To RSVP for the roadshows please use the link for your region in the chart below. A county department of social services (DSS) director (or their delegate) and up to four staff members may attend for each county. We recommend that the staff attending be a mix of social work supervisors or program managers and Medicaid supervisors or program managers but leave this to the individual county's discretion.

Sincerely,
