NC Medicaid Caseworkers and Supervisors

Dear County Directors of Social Services,

The purpose of this letter is to inform counties of the upcoming training webinar for **NC Medicaid Managed Care and Long Term Care (LTC)**. The training will be held November 2, 2022, at 10:00 a.m. and is targeted to Medicaid staff, which includes MAGI and Non-MAGI program staff.

This training will provide guidance to county Departments of Social Services (DSS) staff regarding NC Medicaid managed care members that have either a short term or long-term nursing facility stay. It will outline the differences between NC Medicaid Direct and NC Medicaid Managed Care when a beneficiary is placed in a nursing facility. The Division of Health Benefits (DHB) will also review scenarios and answer questions related to this topic. We will review the process for both MAGI and Non-MAGI beneficiaries.

**Please register for NC Medicaid Managed Care and LTC training on Nov 2, 2022, 10:00 AM EDT at:**
