

PHP Managed Care Ambulance Fee Schedule
Rates Effective as of 7/1/2021

North Carolina has proposed a qualified directed payment to public ambulance providers (PAPs) to approximate 100% of the costs of covered services which PAPs incur in serving Medicaid and NC Health Choice beneficiaries. The State has established cost-based rates for each PAP that determined the minimum fee schedule below that shall serve as a rate floor in managed care. Rates in the table below have been approved by the Centers for Medicare and Medicaid Services (CMS) effective 7/1/2021.

Taxonomies: 341600000X, 3416A0800X, 3416L0300X, 3416S0300X
