Re: Change In XPTR Reports

Dear County Director of Social Services:

The purpose of this letter is to inform you of a change that will occur on Monday, December 31, 2001. Several of the XPTR reports currently available in the DHREJA sub-directory will be renamed and moved to new sub-directories. The reports are renamed to correct the application code, which will, in turn, ensure that the divisions are charged appropriately.

A list of the reports is attached. Please notify your staff as appropriate. It will be necessary for those who utilize any of these reports to change their XPTR user profile. Follow instructions for changing the user profile in EIS 1061.

The information regarding the new report names will be included in the program manuals in the next update. If you have any questions, please call the Division of Medical Assistance at (919) 857-4019 and ask to speak with an EIS consultant or call the Division of Social Services at (919) 733-8938 and ask to speak with an Automation consultant.

Sincerely,

Nina M. Yeager, Director

Pheon Beal, Director
Division of Social Services
