April 20, 2024

Dear Patricia A. Jones:

There will be a new way to get Medicaid health care

Starting **July 1, 2024**, NC Medicaid will have a new type of NC Medicaid Managed Care health plan. It is called the Behavioral Health and Intellectual/Developmental Disabilities (I/DD) Tailored Plan (Tailored Plan). You are getting this letter because you, or someone in your household, will be affected by this change.

The person below is enrolled in Alliance Health (Tailored Plan) starting July 1, 2024

Alliance Health is the Tailored Plan that serves the county that manages your Medicaid case. You were enrolled in the Tailored Plan because it offers the services you may need for a mental health disorder, substance use disorder (SUD), I/DD or traumatic brain injury (TBI). You will start getting health care from the Tailored Plan on the start date below. Until then, you will get health care the way you do now.

| Name / ID Number | Tailored Plan / Start date / Phone |

Some things will stay the same

If you get Tailored Care Management services now through your Local Management Entity/ Managed Care Organization (LME/MCO), you will keep getting those services through your Tailored Plan.

Innovations and TBI Waiver only:

- Tailored Plan enrollment does **not** change your Innovations or TBI Waiver enrollment or waitlist status.
- Your Tailored Plan will **keep giving you** the Innovations and TBI Waiver services you get today.

What to know about the Tailored Plan

The **Tailored Plan** is an NC Medicaid health plan. It offers:

- Physical health, pharmacy, care coordination and behavioral health services for members with mental health needs, severe SUDs, I/DDs or TBIs.
- Services for special populations, including Innovations and TBI Waiver participants and Waiver waitlist individuals.
- Tailored Care Management to help support your needs and reach your health goals.
- Added services for members who qualify. The added services are listed in the Health Care Option Guide.

For a full list of services that the Tailored Plan offers, or to learn more about the Tailored Plan and NC Medicaid Managed Care, go to the *Learn* page at ncmedicaidplans.gov.

The Tailored Plan will have a group of providers to care for your physical and behavioral health needs. These providers include:

- Primary care providers (such as a doctor or nurse practitioner)
- Behavioral health providers (such as a psychiatrist or therapist)
- Innovations and TBI Waiver provider agencies
- Hospitals and other health care facilities
- Tailored Care Management providers

Providers give you the health care services you need. You will need to get care from a provider in the Tailored Plan's provider group. The Tailored Plan must have enough hospitals and providers for you to get covered services near you and in a timely way.

Choose your primary care provider (PCP) by May 15, 2024

Your PCP is a doctor, nurse practitioner, physician assistant or other provider. They care for your physical health, coordinate your needs, and refer you to specialists when you need them. Even if you have a PCP, you need to choose a PCP in the Tailored Plan's provider group.

To choose a PCP, call the Tailored Plan listed in this letter.

If you don't choose a PCP by May 15, 2024, the Tailored Plan will choose one for you. If you do not want your assigned PCP, you can call your Tailored Plan to change it.

The Tailored Plan can tell you which PCPs are in their provider group. Or you can search for a PCP on the Find page at ncmedicaidplans.gov. PCPs join Tailored Plans every day. If you do not see your PCP in your Tailored Plan's provider group, keep checking. If you have to change the PCP you have now, your Tailored Plan will help coordinate your care while the change takes place.

What happens next?

Your Tailored Plan will send you information and a new ID card. You will use your ID card to get health care services. If you have questions, call the Tailored Plan at the number listed on your ID card.

You are required to enroll with the Tailored Plan. The Know Your NC Medicaid Health Care Options included with this letter explains why this is required, and steps you would need to take to disenroll. After **July 1, 2024**, you will get health care through the Tailored Plan listed above unless:

- You are notified that you can choose a different health care option
- You no longer qualify for the Tailored Plan, **or**
- You move out of the Tailored Plan's service area.

To learn more about why you qualify for the Tailored Plan, go to the *Learn* page at ncmedicaidplans.gov. Or call us toll free at **1-833-870-5500** (TTY: 711 or RelayNC.com).

Remember: You may need certain services that **only** the Tailored Plan offers.
