For a full list of services that the Tailored Plan offers or to learn more about the Tailored Plan and NC Medicaid Managed Care, go to the *Learn* page at [ncmedicaidplans.gov](https://ncmedicaidplans.gov).

The Tailored Plan will have a group of providers that will care for your physical and behavioral health needs. These providers include:

- Behavioral health providers (such as a psychiatrist or therapist)
- Innovations and TBI Waiver provider agencies

Providers give you the health care services you need. If you enroll in the Tailored Plan, you will need to get care from a provider in the Tailored Plan's provider group. You can search for a PCP on the *Find* page at [ncmedicaidplans.gov](https://ncmedicaidplans.gov).

The Tailored Plan must have enough hospitals and providers for you to get covered services near you and in a timely way.

## **If you change to the Tailored Plan before June 30, 2024, the new Tailored Plan will start on July 1, 2024**

After you enroll, the Tailored Plan will send you information and a new ID card. You will use your ID card to get health care services. If you have questions, call the Tailored Plan at the number listed on your ID card.
