# Health Care Option Guide

All health care options are required to have the same basic Medicaid services you get now. These include:

- Doctor visits
- Hospital visits
- Behavioral health care
- Prescriptions
- Eye care
- Medical supplies
- Lab tests and X-rays
- Therapies
- Hospice
- Care management

To see the full list of NC Medicaid covered services provided by the health care options, go to [ncmedicaidplans.gov](http://ncmedicaidplans.gov). Some health care options also have added services.

STANDARD PLAN	TAILORED PLAN	CHILDREN AND FAMILIES SPECIALTY PLAN
<p>An NC Medicaid Managed Care health plan. It offers physical health, pharmacy, care coordination and basic behavioral health services for members.</p>	<p>An NC Medicaid Managed Care health plan. It offers physical health, pharmacy, care coordination and behavioral health services. It is for members who may have a serious mental illness, severe substance use disorder, intellectual/developmental disability (I/DD) or traumatic brain injury (TBI).</p>	<p>An NC Medicaid Managed Care health plan. It offers physical health, pharmacy, care management, behavioral health services and statewide supports. It is for children, youth and young adults currently and formerly served by North Carolina Child Welfare Services.</p>
