

Managed Care Ambulance Provider Fee Schedule

North Carolina has proposed a qualified directed payment to public ambulance providers (PAPs) to approximate 100% of the costs which PAPs incur in serving Medicaid and NC Health Choice beneficiaries. The State has established cost-based rates the minimum fee schedule below that shall serve as a rate floor in managed care. The table below represents draft rates per ambulance transport. All rates are subject to approval by the Center for Medicare and Medicaid Services.

**Taxonomies: 341600000X, 3416A0800X, 3416L0300X,
