

Dental Referral List by County

Significant Medicaid Providers

Medicaid beneficiaries may receive dental treatment from any dentist who is enrolled in the NC Medicaid Program and is willing to provide dental care to Medicaid beneficiaries. Providers who have a "Y" indicated in the "Accepting New Patients" column have filed claims for at least five new Medicaid beneficiaries during the last quarter. Although these providers may be more likely to accept new Medicaid beneficiaries, you should confirm this by contacting the provider of your choice in your area. Providers who do not have a "Y" indicated in the "Accepting New Patients" column billed at least one claim during the last quarter. All the dental practices and clinics are sorted by county with those located outside of North Carolina at the bottom of the list.
