

Dental Referral List by County

Significant Health Choice Providers

Health Choice beneficiaries may receive dental treatment from any dentist who is willing to provide dental care to Health Choice beneficiaries. Providers who have a "Y" indicated in the "Accepting New Patients" column have filed claims for at least five new Health Choice beneficiaries during the last quarter. Although these providers may be more likely to accept new Health Choice beneficiaries, you should confirm this by contacting the provider of your choice in your area. Providers who do not have a "Y" indicated in the "Accepting New Patients" column billed at least one claim during the last quarter. These dental practices and clinics are sorted by county with those located outside of North Carolina at the bottom of the list.
