

N.C. Department of Health and Human Services

Presumptive Eligibility for Hospitals Part III:

The Enrollment Process

Carolyn McClanahan, DMA

Sheila Platts, DMA

Melanie Whitener, DMA

Agenda

- Summary of PE for Hospitals
- Overview of Part I and II
- Enrollment Process
- Questions

Presumptive Eligibility Summary

- Begins January 1, 2014
- Applies to certain Family & Children Medicaid groups
 - MAF, MIC, MPW, MFC, MAF-D, MAF-W
- Limited period of coverage
 - Begins on the day the PE determination is signed
 - ends on last day of the month following the month presumptive eligibility was determined or the day DSS disposes the regular Medicaid application.
- Eligibility determined based on household and income
- Limited to once per pregnancy for MPW or once per two year period for other Medicaid groups

Overview of Part I

- Reviewed eligibility criteria for Medicaid programs available under Presumptive Eligibility
- Reviewed important Medicaid terms
- Learned to determine Medicaid household for the Presumptive Eligibility applicant

Currently available at <http://www.ncdhhs.gov/dma/provider/seminars.htm>

Overview of Part II

- How to Conduct an Interview
 - Ask open ended questions to get the best answers from the applicant
- Income Eligibility Determination
 - Determine the Household Size
 - Determine the total countable income for each individuals household
 - Compare the income to the applicable program and family size indicated on the Presumptive Income Limit Chart
