Attention:

**Community Alternatives Program for Children (CAP/C)
1915(c) Home & Community-Based Services (HCBS) Waiver
Stakeholders**

**Announcement: Expiration and Plan to Amend
the CAP/C Waiver**

On July 1, 2010, the Community Alternatives Program for Children (CAP/C) 1915(c) Home and Community-Based Services (HCBS) waiver was approved for **five years** and scheduled to expire on June 30, 2015. However, the Centers for Medicare and Medicaid Services (CMS) granted the Division of Medical Assistance (DMA) an extension through Nov. 30, 2016 to work closely with stakeholders of this waiver.

DMA will request a waiver amendment to CMS by Nov. 30 2016, to accomplish two desired goals:

1. The continuation of waiver services for children who are determined to be medically-complex, and,
2. To comply with the requirements for the HCBS Final Rule established by CMS

In order for DMA to accomplish these goals and assure the needs of this target population are addressed, DMA is seeking comments and suggestions on the amended waiver from interested parties.

All comments and suggestions must be submitted to DMA by Nov. 19, 2016.
