Medicaid Managed Care 101**

Scheduled for March 28, 2019

ATTENTION: ALL PROVIDERS**Provider Transition to Medicaid Managed Care:
New Webinar Series Will Launch March 28**

NC Medicaid will launch a webinar series to support providers and practices during their transition to NC Medicaid Managed Care. “General” webinars are overviews of significant changes and features of the managed care program. “Topical” webinars are in-depth reviews of specific managed care topics.

The first webinar in this series, **Provider Transition to NC Medicaid Managed Care 101**, is an overview of the state’s transition efforts and includes the vision and background for the transition to a managed care system, an overview of key initiatives, and a closer look at managed care and engagement from a provider perspective.
