SUBJECT: Update to State Plan for Medical Assistance (251)

DATE: August 6, 2014

The following changes were made in the NC Medicaid State Plan manual. You may view the Plan on DMA's website at <http://www.ncdhhs.gov/dma/plan/index.htm>.

SPA# 14-016 (Physician Enhanced Payments) The purpose of this state plan amendment was to modify the physician attestation date of June 30, 2013 to June 30, 2014. This modification will allow those physicians who successfully attest as of the new cutoff date to receive Enhanced Affordable Care Act payments of any claim with dates of service on or after January 1, 2013. This is in compliance with Section 1202 of the Affordable Care Act and further defined by the CMS final rule published November 1, 2012.
