TO: DMA Management & State Plan E-mail Subscribers

FROM: Teresa J. Smith, Administrative Service Manager

SUBJECT: Update to State Plan for Medical Assistance (259)

DATE: December 2, 2014

The following changes were made in the NC Medicaid State Plan manual. You may view the Plan on DMA's website at <http://www.ncdhhs.gov/dma/plan/index.htm>.

SPA# 13-011 (Eugenics) This state plan change provides income, resource, and asset disregard to an applicant for, or recipient of, public assistance who receives Eugenics Compensation. The amount of the income, resource, and asset disregard is equal to the total compensation paid to the individual from the Eugenics Sterilization Compensation Fund. This change also provides resource protection by reducing any subsequent recovery by the state from a deceased recipient's estate for payment of Medicaid paid services by the amount of the resource disregard given.
