SUBJECT: Update to State Plan for Medical Assistance (264)

DATE: April 14, 2015

.....

The following changes were made in the NC Medicaid State Plan manual. You may view the Plan on DMA's website at <http://www.ncdhhs.gov/dma/plan/index.htm>. The Modified Adjusted Gross Income (MAGI) PDF files can be located in the rear of the state plan.

SPA# 14-0003-MM7 (Presumptive Eligibility Hospital). The purpose of this state plan amendment (SPA) is to implement mandatory changes that specifies the North Carolina Medicaid must provide Medicaid during a presumptive eligibility period to individuals who are determined by a qualified hospital, on the basis of preliminary information, to be presumptively eligible subject to the same requirements as apply to the State options under §435.1102 and 435.1103, but regardless of whether the agency provides Medicaid during a presumptive eligibility period under such sections. The State will require a threshold of 95% for full Medicaid applications submitted by individuals determined presumptively eligible by a hospital.
