

1 10A NCAC 22F .0606 is proposed for re adoption without substantive change as follows:

2

3 **10A NCAC 22F .0606 TECHNIQUE FOR PROJECTING MEDICAID OVERPAYMENTS**

4 (a) The ~~Division Medicaid agency~~ will seek restitution of overpayments made to providers by the Medicaid program.

5 (b) The agency may use a Disproportionate Stratified Random Sampling Technique in establishing provider
6 overpayments. ~~(e)~~—This technique is an extrapolation of a statistical sampling of claims used to determine the total
7 overpayment for recoument.

8 ~~(c)(d)~~ The provider may challenge the validity of the findings in the statistical sampling SAMPLE itself in accordance
9 with the provisions found at 10A NCAC 22F .0402.
