

NC DEPARTMENT OF  
**HEALTH AND HUMAN SERVICES**  
Division of Health Benefits

# Health Care Option Guide

**SAMPLE**

All health care options are required to have the same basic Medicaid services you get now. These include:

- Doctor visits
- Hospital visits
- Behavioral health care
- Prescriptions
- Eye care
- Medical supplies
- Lab tests and X-rays
- Therapies
- Hospice
- Care management

To see the full list of NC Medicaid covered services provided by the health care options, go to [ncmedicaidplans.gov](http://ncmedicaidplans.gov). Some health care options also have added services.

STANDARD PLAN	TAILORED PLAN	NC MEDICAID DIRECT	EBCI TRIBAL OPTION
<p>A North Carolina Medicaid and NC Health Choice health plan. It offers physical health, pharmacy, care coordination and basic behavioral health services for members.</p>	<p>A North Carolina Medicaid and NC Health Choice health plan. It offers physical health, pharmacy, care coordination and behavioral health services. It is for members who may have significant mental health needs, severe substance use disorders, intellectual/developmental disabilities (I/DDs) or traumatic brain injuries (TBIs).</p>	<p>North Carolina's health care program for Medicaid beneficiaries who are not enrolled in North Carolina Medicaid Managed Care. It includes care coordination by Community Care of North Carolina (CCNC), the primary care case management entity (PCCMe). There are six Local Management Entity-Managed Care Organizations (LME-MCOs) that coordinate services for a mental health disorder, substance use disorder, intellectual/developmental disability (I/DD) or traumatic brain injury (TBI).</p>	<p>The primary care case management entity (PCCMe) created by the Cherokee Indian Hospital Authority (CIHA). It includes care coordination by Vaya Health for a mental health disorder, substance use disorder, intellectual/developmental disability (I/DD) or traumatic brain injury (TBI).</p>
