

DISCOVER THE NC MEDICAID PLAN THAT'S RIGHT FOR YOU.

NC Medicaid Managed Care

NC Medicaid Managed Care lets you choose a health plan with the providers and services best for you and your family. You might want to keep your current doctor or find a new one. But whichever plan you select, you'll get the same access to benefits. Some people won't need a new plan because of the type of NC Medicaid services they receive, so learn more about your options.

Choose your path to better health.
Select a plan and enroll by May 14.
