SUBJECT: State Plan Amendment
Title XIX, Social Security Act
Transmittal #2022-0006

Dear Mr. Scott:

Please find attached an amendment for North Carolina’s State Plan under Title XIX of the Social Security Act for the Medical Assistance Program. The affected page is Attachment 4.19-D, Addendum ICF-MR Supplement 1, Page 1a.

This state plan amendment will allow Medicaid to increase rates for intermediate care facilities for individuals with intellectual disabilities (ICF/IIDs), including ICF/IID-level group homes, enrolled in the Medicaid or NC Health Choice program. This rate increase will be implemented as intended by the General Assembly to assist in increasing the hourly wages of direct care workers in this State towards a minimum of fifteen dollars ($15.00) per hour. Any ICF/IID provider receiving a rate increase under Session Law 2021-180 shall be required to use at least eighty percent (80%) of the funding that results from that rate increase to increase the rate of pay paid to its direct care employees.

Your approval of this state plan amendment is requested. If you have any questions or concerns, please contact me or Betty J. Staton at 919-538-3215.

Sincerely,

Kody H. Kinsley
Secretary
