### KEY REMINDERS FOR PROVIDERS

All providers are strongly encouraged to complete the following checklist of key actions after NC Medicaid Managed Care Launch. More information on some of these items are detailed in the following pages.

- Make sure staff know the health plans with which you are contracted, and if you are an Eastern Band of Cherokee Indians (EBCI) Tribal Option provider.
- Continually review the NCTracks provider record for each applicable individual provider and organization for accuracy and submit changes using the Manage Change Request (MCR) process. Know where you need to submit claims.
- For each health plan under contract, please ensure enrollment in the Health Plan's Electronic Funds Transfer program is completed.
- Assist your beneficiaries with their transition to NC Medicaid Managed Care following the guidance below.

### PROVIDER CONTRACTING REMINDERS

Health plan contracting is an ongoing process. If your office did not meet the deadline to be included in the initial launch of the Medicaid and NC Health Choice Provider and Health Plan Look-up Tool and health plan provider directories, there is still the opportunity to contract with each health plan. Explore your options with more information available [here](#).

## ENSURE YOUR INFORMATION IS CORRECT

Medicaid and NC Health Choice participating providers are contractually required to update their NCTracks record within 30 days of any change. This obligation to report includes any change in the information contained in the NCTracks provider enrollment record, as well as any adverse action against the provider or any of its officers, agents, or employees. To remain in compliance and maintain the accuracy of information supplied to the health plans and beneficiaries, take the time to regularly review your provider record in NCTracks. Changes may be submitted using the MCR process available in the NCTracks Secure Provider Portal.

Review the NC DHHS Provider Administrative Participation Agreement [here](#), or a recent publication about reporting changes [here](#).

## KNOW WHERE TO SUBMIT CLAIMS

If there are claims for dates of service prior to July 1, 2021, they should be submitted as they are today, through NCTracks or LME-MCOs.

For dates of service beginning July 1, 2021, claims routing depends on a beneficiary's enrollment at time of service and the services provided. Claims for beneficiaries enrolled in NC Medicaid Direct should continue to be submitted to NCTracks. Claims for members enrolled in Medicaid Managed Care should be submitted to the assigned health plan as shown on their member ID card and validated through the NCTracks Recipient Eligibility Verification methods, unless the service provided is a carved-out service.

Two Claims Submission Provider Fact Sheets are available on the [Provider Playbook](#) that addresses how managed care claims are filed.

## ASSIST YOUR BENEFICIARIES WITH THE TRANSITION

As a provider, it is important that all office staff know which plans you participate with and to take the initiative to assist your patients with the transition to managed care. Please note:

- Beneficiaries have 90 days after the effective date of initial enrollment to change their health plan for any reason. In year one, most beneficiaries will have until Sept. 30, 2021, to change their health plan for any reason.
- Beneficiaries have 30 days from the effective date of the AMH assignment (regardless of the notification date) to change their AMH/PCP without cause (1st instance) and shall be allowed to change their AMH/PCP without cause up to one time per year thereafter (2nd instance). In addition, Members shall be allowed to change their AMH/PCP with cause at any time. In year one, most beneficiaries will have until Aug. 1, 2021 to change their PCP/AMH for any reason.
- Within eight days of being enrolled with a health plan, beneficiaries should receive their Member Welcome Packet, Member Handbook, and Medicaid Card from their health plan. In year one, all health plans will distribute their welcome packet by June 12, 2021.
- Follow these steps when a Medicaid or NC Health Choice beneficiary presents at your office:
  - Verify eligibility, health plan and primary care provider enrollment. This can be done using the NCTracks Recipient Eligibility Verification tool.
    - Health plans are required to generate an identification card for each Member enrolled in their health plan that contains the Member's North Carolina Medicaid or NC Health Choice Identification number. Some health plans also include their health plan member ID as well.
  - Confirm that your office participates with the member's health plan.
  - If you are not the assigned Primary Care Practice for the beneficiary but are in-network for the health plan, you can render and be paid for Primary Care Services.
  - If the beneficiary would like to have you as their assigned Primary Care Practice, they should call their health plan to have them reassigned to you
  - If you are a non-participating provider for the beneficiary's Medicaid health plan, you may render services.
    - Special protection is afforded non-network providers (see the Transition of Care section below)

- If a good-faith contracting effort has been made by the health plan and you declined to participate, then you are subject to receiving 90% of the Medicaid fee-for-service rate. If no good-faith contracting effort has occurred, or if it is in progress, then you are subject to receiving 100% of the Medicaid fee-for-service rate until the contracting effort has been resolved.

## TRANSITION OF CARE PROTECTIONS IMPACTING PROVIDERS

As a provider, it is important that you are aware of the transition of care protections that impact providers.

Please note:

- The PHP will honor existing and active prior authorizations on file with the North Carolina Medicaid or NC Health Choice program for services covered by the health plan for the first 90 days after launch (Sept. 29, 2021) or until the end of the authorization period, whichever occurs first.
- For the first 60 days after Launch (Aug. 30, 2021), the health plan will pay claims and authorize services for Medicaid-enrolled out-of-network providers equal to that of in-network providers until end of episode of care or for 60 days, whichever is less (extended transition periods may apply for circumstances covered in N.C. Gen. Stat. § 58-67-88(d), (e), (f), and (g)).
- If a member transitions between health plans after July 1, 2021, a prior authorization authorized by their original health plan will be honored for the life of the authorization by their new health plan
- Additional transition of care-specific guidance will become available at: <https://medicaid.ncdhhs.gov/transformation/care-management/transition-care>

## WHAT IF BENEFICIARIES HAVE QUESTIONS?

DHHS posted a [Do I Need to Choose a Plan](#) Fact Sheet in the [County Playbook](#) to address common beneficiary questions about the transition to NC Medicaid Managed Care. Once a beneficiary is enrolled with a health plan, information and a new Medicaid card will be mailed within eight days. During crossover in year one, all health plans will distribute their welcome packet by June 12, 2021. At that point, if beneficiaries have questions about their health plan, want to change their PCP/AMH, or have questions about services covered, they should contact their health plan. Contact information for health plans can be found at the number on their new Medicaid card or on the NC Medicaid website [here](#).

Beneficiaries that want to change their health plan should call the Enrollment Broker Call Center which is open from 7 a.m. to 5 p.m., Monday through Saturday. To change a health plan through the Enrollment Broker, beneficiaries can:

- Call 833-870-5500, (TTY: 833-870-5588)
- Go online at [ncmedicaidplans.gov](http://ncmedicaidplans.gov)
- Complete and return a paper enrollment form by fax or mail
- Use the NC Medicaid Managed Care mobile app

In addition, DHHS has partnered with Legal Aid of North Carolina to serve as the **NC Medicaid Ombudsman** to help resolve beneficiary complaints. Beneficiaries should contact the **NC Medicaid Ombudsman** at [ncmedicaidombudsman.org](http://ncmedicaidombudsman.org) or 877-201-3750.
