

NC Medicaid For More People.

NC Medicaid now covers people ages 19 through 64 years with higher incomes. Many people who qualify for Medicaid under the new rules are adults working in important service industries, including child care, grocery stores, nursing homes, clothing stores, hotels, restaurants and more.

Please share the information below with your communities through your newsletters and weekly or monthly email blasts. [Learn more at Medicaid.nc.gov](https://www.Medicaid.nc.gov).

Child care

There is great news for child care workers across the state! North Carolina has expanded health care coverage to more people with higher incomes. If you work in child care, you may now be able to get NC Medicaid even if you did not qualify before. NC Medicaid pays for doctor visits, yearly check-ups, emergency care, dental care, mental health and more – at little or no cost.

NC Medicaid can provide the health care coverage child care workers need.
