

NORTH CAROLINA DEPARTMENT OF HEALTH AND HUMAN SERVICES

NC Medicaid Quality, Population Health and Evaluation Unit Updates

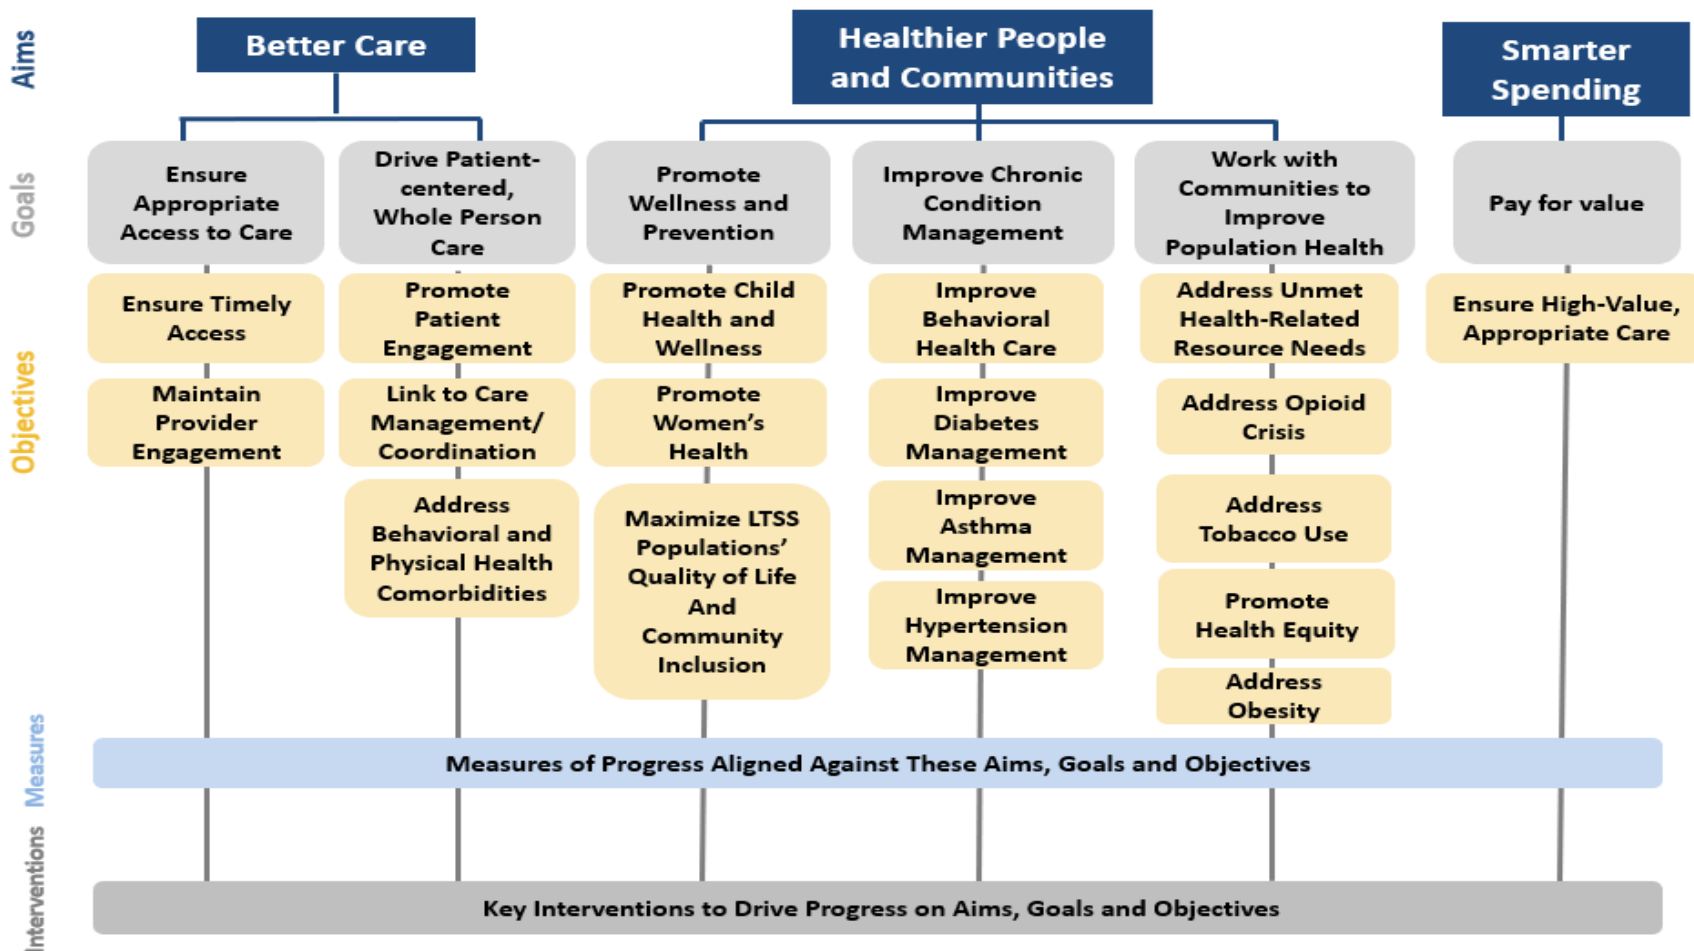

Arianna Keil, MD
Chief Quality Officer, NC Medicaid

Medical Care Advisory Committee (MCAC) Meeting
December 8, 2023

How Do the Three Teams Work Together?

Quality Strategy Framework

Quality Team Highlight

Plan Performance Improvement Projects

Standard Plans

- Childhood Immunization Status*
- Diabetes Management
- Prenatal and Postpartum Care*
- Health Related Resource Needs Screening*

*: Also Withhold Measures

LME-MCOs

- Follow Up After Hospitalization for Mental Illness
- Follow Up After ED Visit for Mental Illness
- Transition to Community Living

Strengthening Connection with NC HealthConnex (NC's Health Information Exchange Authority)

NC HealthConnex as data aggregator

Goals:

- Decrease reporting burden
- Increase data quality for measures requiring patient-level clinical data
 - Hypertension management
 - Diabetes management
 - Depression screening and follow up
