

Are you Pregnant?

NC Medicaid postpartum care coverage is now extended to 12 months instead of 60 days. Also, full Medicaid benefits are available to beneficiaries enrolled in the Medicaid for Pregnant Women program (MPW).

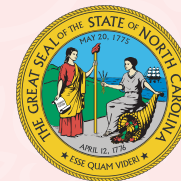

- Beneficiaries in the Medicaid for Pregnant Women program can get full Medicaid benefits from doctors (ex. OB/GYNs), health departments and rural health clinics for many services. Visit Postpartum Coverage Extension on the NC Medicaid website at medicaid.ncdhhs.gov/postpartum-care to learn more.
- To get postpartum coverage for 12 months, you must call or visit your local [Department of Social Services](#) caseworker:
 - when you become pregnant
 - if your due date changes
 - when your pregnancy ends
