\*\*\* FQHCs and RHCs are safety net providers that receive an all-inclusive payment rate per visit that includes certain procedures that are billed separately by other medical providers. The rate also accounts for the wide range of services within a medical visit not typically provided by other primary care providers during a single visit. For more detailed information see 42 CFR 405.2411, 42 CFR 405.2463, and 42 CFR 440.20 (b) and (c)."
