SUBJECT: State Plan Amendment
Title XIX, Social Security Act
Transmittal #2022-0025

Dear Mr. Scott:

Please find attached an amendment for North Carolina's State Plan under Title XIX of the Social Security Act for the Medical Assistance Program. The affected page is Attachment 3.1-A, Page 9.

- This state plan change will allow Medicaid to cover and reimburse for six family planning inter-periodic visits in addition to an annual assessment and comprehensive preventive medicine exam per 365 days. Additionally, of the six-inter-periodic visits allowed under the program, the State of North Carolina will cover medically necessary family planning-related services, pursuant to or in conjunction with an annual assessment or preventive medicine exam.

Your approval of this state plan amendment is requested. If you have any questions or concerns, please contact me or Cecilia Williams at (919) 270-2530.

Sincerely,

Family Planning Benefits

1905(a)(4)(C)

4.c.(i) Family planning services and supplies for individuals of child-bearing age and for individuals eligible pursuant to Att. 2.2-A, B, if this eligibility option is elected by the State.

Provided: No limitations With limitations

Please describe any limitations:

The State of North Carolina will cover a total of six family planning inter-periodic visits annually, not including the annual assessment and comprehensive preventive medicine exam and will cover FDA-approved family planning supplies. Under the State Eligibility Option for Family Planning Services, the State will cover the same family planning services received by all traditional Medicaid beneficiaries.

4.c.(ii) Family planning-related services provided under the above State Eligibility Option

Of the six inter-periodic visits allowed under the program, the State of North Carolina will cover medically necessary family planning-related services, pursuant to or in conjunction with an annual assessment or preventive medicine exam. Family planning-related services will include screening for Human Immunodeficiency Virus (HIV), Hepatitis B Virus (HBV), Hepatitis C Virus (HCV), and screening and treatment for other sexually-transmitted infections.
