**Substance Abuse Intensive Outpatient Program (SAIOP)
ASAM 2.1**

The Department of Health and Human Services, Division of Health Benefits hereby provides notice of its intent to amend the Medicaid State Plan to include the Substance Abuse Intensive Outpatient Program (SAIOP) and to assign a reimbursement rate of \$255.28 per diem rate. This policy is being revised to reflect the 2013 American Society of Addiction Medicine (ASAM) language and criteria for this service. Proposed revisions include clarification of service and staffing requirements, rewriting this as a stand-alone policy as opposed to a part of a larger policy as is currently done and updating ASAM language and criteria from the ASAM Criteria Manual, 2013.

This amendment will become effective May 1, 2024.

The annual estimated State Fiscal Impact of this change is:

- a. **SFY 2024 \$294,077**
- b. **SFY 2025 \$1,815,431**

A copy of the proposed public notice may be viewed at the County Department of Social Services. Questions, comments and requests for copies of the proposed State Plan Amendment should be directed to the Division of Health Benefits at the address listed below:
