SUBJECT: State Plan Amendment
Title XIX, Social Security Act
Transmittal #2024-0027

Dear Mr. Scott:

Please find attached an amendment for North Carolina's State Plan under Title XIX of the Social Security Act for the Medical Assistance Program.

This state plan change will reinstate compliance language such that if graduate medical education payments result in payments to any group of hospitals in excess of the upper payment limit calculation required by 42 C.F.R §447.272, payments for each eligible hospital receiving payments under this section will be reduced proportionately to ensure compliance with the upper payment limit.

The proposed effective date of the SPA is July 1, 2024.

Your approval of this state plan amendment is requested. If you have any questions or concerns, please contact me or Ashley Blango at (919) 812-6145.

Sincerely,
