Attachment M. 13. Approved Alliance Health In Lieu of Services

In Lieu of Services are alternative services or settings that are substituted for services or settings covered under the Medicaid State Plans or otherwise covered by this Contract but have been determined by the Department to be medically appropriate, cost-effective substitutes for the State Plan services included within this Contract.

The BH I/DD Tailored Plan may cover for Members, services or settings that are in lieu of services or settings covered under the State Plans as follows:

1. The Department determines that the alternative service or setting is a medically appropriate and cost effective substitute based on documentation provided to the Department by the BH I/DD Tailored Plan demonstrating such cost effectiveness and clinical effectiveness;
2. Members shall not be required by the BH I/DD Tailored Plan to use the alternative service or setting;
3. The approved In Lieu of Services are authorized and identified in this Contract and will be offered to Members at the option of the BH I/DD Tailored Plan; and
4. The utilization and actual cost of In Lieu of Services is taken into account in developing the component of the capitation rates that represent the covered State Plan services, unless a federal or State statute or regulation explicitly requires otherwise.

In the event In Lieu of Services do not meet cost neutrality, excess expenses will be excluded from the rate development process. In accordance with *Section V.B.2. Benefits*, the following In Lieu of Services have been approved by the Department:
